There are so many comments and there is a reason for that! Not only did this beautiful lady parent many children, but she raised a group of children that are well known and respected! What a wonderful legacy she passed down! She led a Godly life and from what many of you have told me, she expected no less from you all. She will certainly be remembered!

“ To the entire family: I love each and every one of you and still consider you my family. Grandma was a wonderful, straight talking, Christian, hard working "Southern Lady". I had great respect for her and she taught me a lot. Now she is another Angel in God's choir along with my Mom and the others in the family who have entered those Pearly Gates. I hope St. Peter did not try to stop her, because I would not have wanted to have been in his shoes. God Bless Each and Everyone of You in the days, months and years to come. The Matriarch of the Catoe family has left us, but the Catoe family still stands firm. Love to All
