“ She was one of the finest women I have ever known. I never heard her say anything bad about anyone no matter how bad she may have been treated by them. She always saw the good in everyone she met. I know her faith in the Lord was as strong as I have ever witnessed. As sad as I was to hear of her passing I was happy to know that she is free of pain and sickness and is rejoicing in heaven in the arms of the Lord. Heaven is a better place today! My prayers are with all the family.
