

Mrs. Victoria "Vickie" S. Taylor

August 21, 1947 - January 22, 2023

It is with deep sorrow that the Taylor family announces the death of Mrs. Victoria "Vickie" Snyder Taylor, 75.

Mrs. Taylor entered into rest on Sunday, January 22, 2023. The Directors of Brown-Pennington-Atkins Funeral Home & Crematory are caring for the family.

A funeral service to honor her life will be held at 3 o'clock on Thursday, January 26, 2023, at the Chapel of Brown Pennington Atkins Funeral Home. The Rev. Danny Holley will officiate with burial to follow in the Swift Creek Baptist Church cemetery. The family will receive friends on Wednesday from 4:00 until 6:00 pm, on January 25, 2023, at the funeral home.

Memorials may be made in her honor to The Matthew Webb Moore Scholarship Fund, 338 Birchwood Drive, Hartsville, SC 29550, or The Dylan Adams Endowment, PO Box 1902, Hartsville, SC 29551.

Vickie was the daughter of the late Hubert "Peevine" Snyder and Catheryn Taylor Snyder. She was a retired math teacher, one that many would argue was the best around. She was also an avid tennis player with a very wicked backhand. Vickie loved to travel, spend time with her family, and follow her grandson around to all of his ballgames. She loved big and was so proud of all

four of her grandchildren. She never missed a chance to tell you about them.

She was a devoted wife to her high school sweetheart, Henry. They were married for 54 years and were inseparable. Vickie loved fiercely, and if she loved you, you knew it. She loved no one more than she did her two children; she checked in on both of them daily, and they loved her back just as fiercely.

Left to cherish her memory are her husband of 54 years, Henry Owens Taylor, Sr of Hartsville, SC; her children, Henry "Happy" Owens Taylor Jr. (Lisa), of Darlington, SC, Nicole "Nicki" Taylor Moody (Brandon) of Hartsville, SC; grandchildren, Hayley (Richard) Taylor Smith, Kathryn Victoria Taylor, Owen Nicholas Taylor, Victoria Ruth "Ruthie" Moody; three great-grandchildren; and her beloved dog, Brownie.

In addition to her parents, she was preceded in death by her sister, Gracie Snyder Brown.

The Taylor family would love to hear stories of Vickie. Whether she taught you or not, please send fond memories you have of her to: 205 Lyndale Drive, Hartsville, SC 29550.

Dear Henry and family, So sorry to hear of your loss of your beloved wife and mother. My heartfelt condolences to you all. I learned from Vicky that my late husband Joseph Lawton tutored her in calculus when she was in college. Im sure that it was a joy for him to have had such a bright and enthusiastic pupil! Prayers for you all. Cindy Lawton

“*Mrs. Taylor was my algebra teacher. In school math was always hard for me. When I got a chance to be in her class, it was a great experience. She always took time out with me. She made math for me more fun than any other teacher have ever taught me. I wasn't afraid to learn more! She really had a BIG impact on my life. I just hate I couldn't tell her while she was here. I will never ever forget what she has done me and my future. Rest In Paradise beautiful.*

“ Mrs. Taylor was my Algebra 1 teacher. Between her, Betty McCutchen and Marilyn Cook, I got out of high school. They were a math team for me. I would have never graduated without their endless help after school, especially Mrs. Taylor’s. Math has never been my thing at all. I went on to get a BA and MA in English, thanks to the influences of Joanne Merck and Jane Sligh. I loved my high school teachers, especially VT. These I have named were the truest of public servants. True public servants. Today I’m in seminary. That would have never happened without a lot of help, dating back to high school. I’d have never gotten a diploma without Betty, Vickie, and Marilyn. They were dedicated to me all the way. VT was a huge cheerleader of mine to this day. I will never see a Brach’s starlight peppermint and not think of her, as she ate 117 of them per class period - no lie. I am really not lying - at all. I thank the Lord God for the Vickie Taylors of the world, that love me unconditionally and with their whole heart. But for the grace of God go I. Blessings to Henry, Happy, and to Dr. Nicki. - Andy Williams

“ The memories are many and all good. We played bridge until 3 am at Ocean Isle. We worked together to get many students across that stage at graduation. I dealt with so many student who said, “Why can’t I have Mrs Taylor again?” We laughed together when one teacher lost his pants in the hallway in pursuit of a bird! We shared stories as our own children grew up. Vickie was a dear friend and I will always be grateful for the times we shared. Much love to her precious family. She loved you dearly.
