“ Ode to Granny

*I sit here miles away, across the country from my family, wanting to feel apart of this honoring of my Granny. As I sit here in remembrance, I suddenly recongize I have the best sit in the house. In spirit I connect with my dear Granny. "Oh shoot Sandy", I hear her say. "I know you love me. I'm just tickled pink that everybody is here." "Don't be sad", she continues to say. "I'm free now! It feels so good to leave that old worn out body. I'm at peace now. Now I want all of you to be at peace. Love each other, honor and respect each other. Be good to one another. Now relax and move on with your lives." I ask her now that's she seen life from another perspective what can she tell us. She says, "honey the only thing that matters is love". I love you all so much."*

*That's my sweet Granny. Free spirited, spunky, sassy, loving, vivacious and to the point. Though I'm not physically with all of you, my prescious family, I am with you in spirit, honoring and celebrating my beloved Granny. Knowing she is now free and surrounded by light and love. Where she is...God is. Soar now Granny! I celebrate your freedom and I honor and cherish you for all that you are! I love you!*

*Mama and Daddy, I am wrapping you both in a warm blanket of love. Where you are...God is. I love you! To the rest of my dear family, God bless you, I love you, peace be still. Where all of us are...God is.*

Love,

Sandy##imported-begin##Sandy##imported-end##
