“ I just felt like the significance of today deserved acknowledgement even though you are no longer with us. Today would have been you and Sam's 59th anniversary and I know this day is even more difficult for Sam than the previous week if possible. I know you are in heaven, no more sorrow, pain, or suffering; only happiness. We miss you terribly and the realization that we will never hear your voice has finally set in. I wish healing and peace for Sam and the family. Much love Wanda

“ *Ginny/Aunt Ginny,  
Our heartfelt sympathies and sincere condolences to you during  
your time of grief.*

*You now have memories that your heart will treasure forever of your  
mom.*

*My heart smiles as I think of the last time I saw your mom at your  
home. We enjoyed that day talking, laughing and eating. I even told  
her how good she looked, which put a bigger smile on her face! So  
that's my memory I will treasure.*

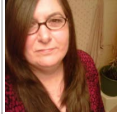

*I know you will miss the 3-4 hour grocery shopping and all the  
errands here and there and her presence. I praise you for all you did  
and the efforts it took to endure. Your mom thanks you and I thank  
her for having you (Faye & Michael too).*

*Sending healing prayers and comforting hugs with all our love.  
Prayers, Remembrance and Love from the Lewis family to all of  
you.*
