I worked with your mom for several years at the sportswear. She was always such a kind person. I will be praying for you all. Know that God needed another supervisor, as she was such an understanding supervisor at the sportswear. God bless you all.

“ *Bill and Family,*

We're so sorry for you all during this very hard and sad time. Wes has such great memories as a child of you Bill and Virginia taking him to the beach and other places. He'll have those memories forever. The last time i spoke with Virginia, I told her people say that "I treat my son like a baby". It was so loving and funny, she said "her boys would always be her babies and who cares what people say about that", Mike and Dink were her heart and she loved them so so much!! Then she told me a sweet story about Wes. She said "when Wes was little that he, Mike and Dink would be in the back seat going to town and she ask him Wes who do love the best Mike or Dink"? and he would smile and say I love everybody". She thought that was so sweet and she never forgot that!. I'll keep that story in my heart forever. I admired the way she loved her children and husband. Always remember how much she did love you all. Also, Wes will remember his great memories of her, always. We'll all pray for you during this very very hard time.

Love,

Wes, Kathy and Brandon Walters##imported-begin##Wes, Kathy and Brandon Walters##imported-end##
