*I was sorry to see where your mother passed. I remember all the fun times that we would have with your mother when we were in junior high together. I am fortunate to have mother and daddy living here in Macon now. You are in my thoughts and prayers.*

“ Don and I are sorry to hear of Vivian's passing. It was always a pleasure to see her. She was always so kind to Vada. Vada thought so much of Vivian and I am sure that they are joyous to see one another again. And I am sure that they are playing bridge and having fun as they seemed to when they were together. We miss Vada so much but we find comfort in knowing that she is no longer suffering. Your family will be in our prayers.##imported-begin##Bess H.Gore##imported-end##

“ Hi Peggy. I just read about your mother passing away. I just wanted to let you know how sorry I am . God will help you and your family get through this. I haven't seen you or your family in a long time but I remember you and your mother from church. She was always such a nice lady and I know my mom thought a lot of her(Miriam Newsome). My dad passed away 13 years ago and I still miss him so much but I do have a lot of wonderful memories. I know one day I'll be with him when my time is up. You will also reunite with your mother one day but for now hold on to the wonderful memories that you have. My prayers are with you and your family.##imported-begin##Joy Newsome Owens##imported-end##
