“ Well, just as sure as we live, we also must die. We are equipped with a nature that ensures that we want to hold on to everyone we love for the duration of our lives. How self-centered we are. Aunt Vivian has gone to be with Daddy (Dean), Daddy Bill, Nanny, Tony, Uncle Wilbur, and her daddy. And so, NEVER again will she have to feel this loss we feel from being forced to say goodbye before we are prepared to let go. I can remember how devastated Aunt Vivian was back in August 1980 when she had to let her brother go, my daddy. We thought we were going to lose her because she was so very distraught. She loved and she loved hard. We all love her and we love her just as deeply as she has loved those she had to endure losing. Goodbye Aunt Vivian and I look forward to reuniting with you and the other "solid rocks" our family has seen pass on. Rest in peace. I'll be missing you.##imported-begin##Marty Goodman##imported-end##
