“ *Such a sweet, caring Christian lady! I will miss you my dear friend. I was the mail carrier to a business that Wanda worked at before she retired. During the hot summer months she always made sure I had cold water to drink. That was one of the many caring things she did for me and others. She helped me through many difficult situations and I always wanted to be there for her when she needed to vent. She loved her family more than anything...Love you sweet friend, rest in peace and happiness*
