“ *Sonny, Linda, and Family:
I still remember Wayne as a little boy next door at Mary and Howard's; even have a picture of him and Frankie outside playing. So deeply sorry for your loss and I know the suddenness of it just adds to the shock. Cling to the pleasant memories you have of this gentle man. I will continue lifting you in my praying.*

“ *Dear Jean and Donnie,
We were very saddened to hear about Wayne's death. He was such a kind and considerate guy and a devoted husband, father and grandfather. He was also a loyal employee for the H.B. Robinson Nuclear Plant and a great addition to their team.
Wayne was genuine and he was generous. In 1980 he was trying to find someone who would adopt their beautiful white little female Peke-a-poo puppy, Skirowe. He knew we loved dogs and asked if we would like to have her, and of course we were thrilled to make her a part of our family! For 15 years we were blessed to be the fortunate recipients of all the love and joy Skirowe could give...we loved her so very much until she too had her Homegoing. We're sure that Skirowe has been reunited with Wayne in Heaven, as we know how much she loved him as well.
Please remember that you and your entire family are in our thoughts and prayers.
Love,
Ray and Jackie Ludrick Chambers*

“ Wayne and I were best friends from the time we met in the third grade until the seventh, and remained close even after that. The hours we spent playing baseball, waterskiing, playing guitar, and riding bikes are innumerable. He was the coolest kid - banana seat and high handle bars on his bike. Quick as a cat on his feet. I'll never forget when he hit a grand slam playing for the City Police during his first year of Dixie Youth League baseball. I don't think he had ever hit it over the fence until then. There are so many ways that I tried to copy Wayne, but never quite pulled it off. He was a great American and I loved him as a friend, and still do. Bill Hager

Dear Jean and Donnie,

Ray and I are so saddened to about hear about Wayne's death. He was a great employee and addition to the CP&I team at the H.B. Robinson Nuclear Plant in Hartsville and a devoted husband, father and grandfather.

Wayne was also avery generous and compassionate man. In 1980, he was looking for a home for their little female peek-a-poo puppy, Skirowe, whom they could no longer keep, and I he asked if I would like to adopt her into our family. I was delighted to take her. I loved beautiful little Skirowe so very much. She was a blessing and brought unending love and joy into my and Ray's home for 15 wonderful years! We will always be thankful to Wayne for his generous gift.

Please remember that you and your entire family are in our thoughts and prayers.
