“ Weldon was our great nephew and spent a lot of time in my care while Jess went to school. I watched him grow into a sweet loving boy who was energetic, curious, and imaginative. I loved to hear him laugh. Him and Jacob (Bubba) would keep me on my toes, but I am so grateful for the time I had with him. His cousins loved him and he loved when Robert and Daniel would come home from school and play with him. We love you Weldon! We will unite again when it's our time. This is not good-bye it's more like see you later "little buddy".
