“ *Mr. Young was not only a wonderful gentleman, he was Roses Jack Benny when you walked in. He always had a funny greeting to welcome you into his store. I fully believe it was his business knowledge and public relations that kept Roses open, when all other business closed around his area. He would always joke when he would see, my twin sister, my sister-in-law and myself walking into Roses, saying, here comes the three blondes from Florida. Thank you Mr. Young for your wonderful friendship and memories. My prayers to the family, may you feel God's comfort. I know Jesus welcomed Mr. Young with a loving hug at Heavens gate, when His Father called you home. RIP*

“ *Dear Bobo; I know this is hard for you and Leslie. Your Dad was a good and true man and he loved you very much. I remember when he called Steve and thanked him for teaching you to put a radio into a car....remember? So many good memories and that's what you have to hold onto! You know we hold you close to our heart and say prayers for you, Leslie and baby Tate. Think of all the positives and the way your Dad touched others who worked for him and knew him! We'll be over to see you....you helped Steve so much when he was sick...you will never know what you mean to us!! We love you, Hibby and Steve*

“ Dear Young Family,
I had the privilege of working for Mr. Young for several years after I retired from Sara Lee Hosiery. I was a widow and needed something to keep me occupied. Mr. Young was a good "boss" for several years, until poor health forced me to stop working. He was truly a good man and he will be missed in the Hartsville community. Our prayers are with your family now and in the days to come.

“ I am at such a loss for words over this news! He was a great man! I remember when I was 16, my dad sent me to Roses to go talk to Mr. Wes Young and ask for a job, I can remember seeing him come down the stairs at Roses and suddenly fear went all over me, as he approached me I told him my name and who my dad was and that I needed a job, he smiled at me and got me an application and within a weeks time, I had my first job! I had the pleasure of working with him in the office and there was not a dull moment in that room ever, he had the most unique way he viewed things that I will remember about him forever.....he still is the best boss I have ever had

“ Wes and I grew up together in Henderson and shared so many experiences from toddler days through high school. We could talk about everything and spent hours doing that. As senior citizens we continued to share our joys and sorrows, and I will miss him. His devotion to his family, friends and community was admirable and obvious. My prayers are with his family.

“ Mr. Young was my first boss. I started working for him at Roses at the tender age of 16 until I left for college 2 years later. From him I learned patience, hard work and how not to take life so seriously-to stop and smell the "roses" so to speak. I am saddened by the loss of this incredible man. He always had some input about something, but whether you agreed with him or not--he was highly respected by all. My heart goes out to all his family and friends. He will live on in my heart and so many others. God bless.

“ I worked at Roses in Hartsville from 2004 to the end of 2007, and Wes Young was and still remains as my favorite boss. Always with a quick wit and and sharp sense of fairness and respect for customers, Mr. Young made every day at Roses a pleasure. I met the news of his death with a profound sense of sadness, but that was quickly replaced with the happiness of having the pleasure to have known him. RIP, Mr. Young.
