“ My heart is heavy with the sad news that we lost Paul so suddenly. You are all loved and part of my family, as you know. I wish I had known before today, I sure would have been there and will be here for you. Gwen, I have no words to express what I feel for you and the boys, only love in my heart for you all. Paul was a wonderful and kind man with a smile for everyone always. I will never forget the times in the last 24 years how positive and helpful he was. One of the best people I am honored to have known.

“ It's been two days since I heard the news and I'm still in disbelief. Gwen, Adam n Zac if I know Paul and I think I did he'd want you to push on, work just like him and keep going. We never know all the answers to the questions of this life. We can just keep on keeping on and trust in God. Praying for the whole family that Gods loving arms hold you tight and will show you the way.

“ Dear Gwen and extended family, On behalf of Embrace Hospice and the Howard Family, I would like to express a heartfelt sorrow for your loss. Paul was a great person and he will greatly missed by many. In the book of John chapter 14, Jesus reminds us that in his Father’s house are many mansions; if that were not so, he would have told us and He has gone there to prepare a place for us. Family, this earth is not our home, and we are only passing through this land, so hold on to the promise, for one day we will see our loved ones again.
My prayer is that God will continue to hold you close during this time of sorrow and strengthen you as you press on.
