“ Glenn, the passing of your father is very painful, I know. I loved Mr. Beckham and it makes my heart sad that he will no longer be with us, telling all his funny stories from his working years. He captured my heart, you both did. Your father was a very special man, you were blessed to have him as your father and he will be missed by all who knew him. He touched many people's lives, I am sure, just by being such a truly nice man with such a pleasant and caring manner about him. I am praying, that with your knowing what a great man your father was and with the love and blessings of Our Lord Jesus Christ, you will find peace and comfort. Much love to you. Daphene

*To the family:
I worked at Klopman back in the 70s when Mr Beckham was there with the vending machines. I again knew him going to church at North Hartsville. It seems I just spoke to him last Sunday! I will truly miss him! So sorry for your loss. I am praying for all of you! Let us know if there is anything we can do for you!*

“ *Glenn,
I'm thinkin of you during this big transition in your life. So many of us in the "1966/66" group know how you feel.*

I remember visiting with your dad a few times at Pam and Jerry's get-togethers. What a kind man who "fit in" anywhere, anytime. Bless you as you remember all of the good times and long life you shared with your dad.
