“ *William Byrd was William Byrd, one of a kind. Singular in his existence. To hear his name brings a smile. To think of him brings joy. Everyone who knows William has a story to tell. William shared his enthusiasms and we are all the better because of him. Williams passing makes Heaven a happier place but Earth is a lot gloomier.*

“ *My ALL time favorite memory of Cousin William - that night we all (W, G, & me) went down Sixth Street egging. Still cracks me up to this day. Oh, don't let me forget that time we all spent the night at Grandma's when she was out of town. Everyone present, that night, knows what crazy stuff went on. Both of these adventures will be remembered/talked about for years to come. You were the life of the party, William, and you will be truly missed. Love, Tina (Ryan) Remson*
