“ On behalf the Embrace Hospice family and the Howard Family, I want to express our sorry for your loss. Scripture reminds us that this earth is not our home and we are only passing through, Lets be thankful of the moments we share together with our loved ones, trusting in the promise that we will see them again. Jesus reminds us in the book of John 14:6 - I am the way, the truth and the life.

Once again hold to the promise and I pray that God will hold you close as you tunnel though this process.

“ My heart breaks for the family. Ken was such a blessing to me as I struggled during my parents illness and death. He worked with my mother at Alleghany Memorial Hospital and became a close friend. When I needed the pulse ox to check dad's sats, he never complained about meeting me even after hours. I chatted with him last week. I know Ken was so ready to go and now he and mom are sitting around enjoying being pain free at the feet of our savior. God bless each of you family members. My love and prayers are with you.
