Bucky was a special man and will be missed by all. He was very supportive to me and moma, Peggy, when daddy passed. I, we, have always thought the world of you and Bucky. I know Bucky is with our Lord, our Father, now. He is looking down on us, saying he just had to go home because Father called his name. I am praying for you, Cookie. Please let family and friends help you through the difficult times. Just know he and Jacky are catching up now. The whole crew, for that matter. God Bless you and your family, with love, Noot.
