“ *There are no words that can express how heartbroken I am. Billy loved me even though I could be hard to put up with sometimes. He loved me when I did not love myself. But I loved him too. Shock to lose someone as special to my life as he was. But with Gods grace I will see him again. Love you beyond words and please give me strength to face the weeks and months ahead. Light on earth will be dimmer with out your sweet self but I promise I will be there for your family .* ❤️🥰
