“ Sorry we can't make it to the service today, but did want to extend our deepest sympathy to the family. Jerry and I grew up in the same community. We had lots of fun together, especially a beach trip I remember so well! Rovenia and Mildred, it has been years since we have seen each other. Praying that God will wrap His arms around you and comfort you during this time.

“ *I grew up knowing Jerry as my uncle and father of my cousins Amanda and Lucas. He was always there for them and loved them more than anything in the world. He was giving, caring, funny, and more wonderful words than can even fit on this post. He made the best grilled cheeses, loved fish sandwiches, and Pepsi was a staple in his home! We laugh and always remember him blasting acky breaky heart and high cotton on repeat when we went to the lake in Rock Hill. I can go on and on with memories. Everyone who knew him knew a great man. I will miss you Jerry and love you. Xo. - Kelly Hutchinson*
