“ Gretel, Gene and family, So sad to hear of Willie's passing. He was certainly was one of a kind, and will be missed. I certainly will always have fond memories of our 'crowd' that spent many hours together at the old hangout. Rest in peace Willie, Eddie, Steve and all the others we have lost over the years.

“ Although I only knew Willie for about ten years, he definitely always could put a smile on my face. I shared several hilarious moments with Willie and the "Willis Drive crew".....he always had a positive spirit about him. Willie you will be greatly missed! To the Moody family, you all are in my thoughts and prayers!

“ I send my most sincere sympathy, thoughts, love and prayers to the Moody family and all of Willies friends.

Ms. Gretel, Gene, Christy, Kandis, Courtney and all of the children and grandchildren I pray that God will be by your side, heal your heart and soul and fill you with his grace and peace! My heart goes out to all of you and I'll always be here for you. !

Willie was like a brother to me as well as my truest and best friend for almost 25 years and always will be. I have been many places in my life and I have never met a more genuine, caring, jovial and kind-hearted person. He was simply awesome and a brilliant friend, neighbor and all -around great guy whom together we shared many, many memorable trips, stories, and sometimes just simply sharing the heart of life with one another.

I'll always cherish in my heart and soul one of the many blessed gifts from God; which was our friendship and the love for his family as well.

I will never forget his incredibly unique personality and he will live inside my heart forever!

Once again my sincerest thoughts are sent to ALL!

In love and peace,
