“ Dear Martha Ann and Family Members: Just got back in town and pulled up the obituary site, seeing that your Dad has passed. I am so sorry. I had him on my mind and truly intended to give him a visit, even this morning. For whatever reason, I went to this site. I cannot imagine how hard this must be, losing two parents so close together. They both were wonderful people and will be greatly missed, but rest in the peace of knowing they are at rest in the arms of Jesus. My love to your family.

“ Dear Sarah, Bill and family, I am so sorry to hear about the loss of your dad....and so soon after you lost your mom. My heart breaks for you all. I remember William and my daddy worked at Sonoco together years ago....and also seeing William at my uncle's store a lot back in the day. I think everyone called him "Sweet William". You were blessed with wonderful, sweet parents just as I was. It is so hard to lose them, but we will see them again. May the Lord comfort you and give you peace. I will keep you all in my thoughts and prayers! Love, Debbie (Wallace) Weaver

“ I Loved William Dearly and will hold him close in my heart forever. He was a kind and soft spoken man. He and Ann helped raise me and I would keep their children sometimes. I was included in family vacations and lots of fun times with the family and for these things I am most thankful. I guess the thing that stands out most in my mind and it was not funny at the time, but I can look back and smile about it now, I drove his 57 Chevy home from church one night. Now you have to understand that William would wash this car sometimes twice a day, it was a beautiful and it never had dirt or trash on it. Well the night I drove it home from NHBC back out of an angle parking place I turned the wheel the wrong way and hit Perry Sellers' station wagon. I cried and did not want to go home with Ann and the girls from church that night because I knew how much care William gave that beautiful car, to top it all off he was on 3rd shift and we had to wake him up to get ready to go to work at Sonoco. So Ann told me I had to tell him and I did when he got up and dressed for work. He looked at me and said did anybody get hurt and are you ok and I said nobody got and I am fine. There wasn't a scratch on his car, but he never ask about his car, he just wanted to know if anybody was hurt. That was the Kind and soft spoken Man William O'Neal was and I was Blessed to have spent some young teenage and adult years with him. To The Family May God Wrap you all in his Loving Arms during this time of Loss and the weeks, months to follow. You all were very fortunate to have such a loving and kind Father. Sending Much Love and Prayers to all of You and your entire family. Love Jennie Lib.

“ *Martha Ann, Bonnie and Sarah. God felt confident that your family could handle this double whammy that He allowed your Mom and Dad to see each other and hold each other sooner rather than them being apart for years and years. But we, as Christians, the final piece of the puzzle is complete. This does not ease your pain.*
