*William was with my mother for 11 years. He was like a dad to me. He was the funniest, friendliest, most loving person you could meet. I am going to miss him and all the little things such as playing uno in the dark, singing karaoke, and cooking out. He became Jason's best friend. I will make sure Chloe never forgets her papa. It is going to be hard trying to get used to him not being around. We love and miss him very much!*

“ *To all the family of William Coker O'Neal with greatest sympathy words cannot express the sorrow I felt when I heard about William's passing. William was a very sociable person who loved his friends and family and if you met him he would always stop and talk with you. I don't think I have ever met anyone who loved to talk more than William. Being a relative of William during the past four years he has been an insiration to all my family. Praying for all the family that God will comfort your hearts during this time of sorrow. Bennie Lou Teal and the family of Elbert and Sally James.*

“ *Sue and family, words cannot express how sad I am at the passing of William. He so badly wanted to do research on his family. To help honor his wishes I will use his tribute to help fill a void in his place in our family. I am sure he will be missed by so many. I hate I was not able to get with him and help him get started on his "tree". I know he would appreciate the tribute, so nicely done, by Brown Pennington Atkins. My thoughts and prayers are with you as you go through this very sad time in your lives. May God bless you all.*
