“ To the Sheffield family, I am so sorry to hear of your loss. William offered his concern to me last year over my father and I knew his sister Diane when I worked at Wilson. The circumstances surrounding this seem so crazy, and I pray that you all get justice in the end. My thoughts and prayers are with you all.

“ Agnes, Ken, Megan & Family,  
We were so devastated by what happened. William had always been a friend, but then we got lucky and he became family. He was so great to us when Mom (Sonda) died and always considered our feelings over his own. What happened to him is senseless and someone will have to pay, if not now, eventually. The only comfort we get from this tragedy is knowing that William is finally happy again and Mom (Sonda) is not alone any more. We love you all. Let us know if there is anything we can do.
