“ Our prayers and thoughts are with Snap's family and friends. We considered him as a friend. He would always come up to Larry's shop for Larry to do some welding and sometimes he would just stop to talk. He kept telling Larry to let him fix the tractor next to his shop. Larry knew he wasn't able but he really wanted to. If you need us for anything please let us know.

“ To the entire Tyner family: May God wrap his arms around you and draw you closer in this time of mourning. Snap was always willing to help anyone as long as they were willing to help themselves. I can remember when Mother was still with us, Snap would fry fish and Diane, Myrtle or Malcolm would always tell him he had to send Lillian some or they would call and tell her he was cooking and her supper was coming soon. Please take all the memories and store them, no matter how small, because no one can take them away from you. May God Bless and Keep all of you and we will remember you in our prayers.
