“ Brother, it has been 2 years since we laid you to rest. I thought it would get a little easier over time, but brother...I think it gets harder. I miss you and Donnie so much. Y'all we my first best friends, my first enemies as a brother being 11 and 12 years younger than y'all. Y'all where my first inspiration, my first idols in life, I wanted to be just like y'all and as I grew up I wanted to be the man that y'all had became . Even though I've lost y'all way too early in the short life that we have I still think God everyday for letting y'all be my brothers... Until we meet again. Love always, your little brother

One of the first people I met when I moved to Hartsville and he never changed over the last 30 years He was everyone's friend. Will be keeping the family in my prayers and thoughts.
