“ Robin and Mrs. Sullivan,

My heart breaks for you, during this time, and I am praying that you will feel God's presence in the midst of the pain. The memories of growing up together in Kelleytown Church come flooding back at a time like this. A verse Ron Rich shared with us, during a time of great loss, is one on which I often reflect. I pray that it will be a source of comfort for you in the days and years to come: "I will not leave you comfortless, I will come to you" John 14:18 There is alot of truth in the quote, most especially in the latter part: "Death leaves a heartache no one can heal, love leaves a memory no one can steal." May you find "rest" in the arms of a Heavenly Father who wants to hold you close and comfort in the memories of precious moments you shared with Billy. Love, Jeda Kelley - Brandel

“ *Bill was a good neighbor and a good friend these last three years. He loved our kids and our kids loved him. If he was outside, they would run over saying, "Mr. Bill, Mr. Bill!" And no matter what they wanted to tell him or show him, he always made it seem like it was the most important thing in the world. He always made time for them. He will be truly missed.*

“ Shirley and Robin, Patrick and the whole family and community. I'm am devastated for the loss of Bill. I met him back in the early 80's when we both lived at Park Place Apartments. We had such fun then, happy times. He was working for CCI at the time and I remember we struck a deal that if I would hem his pants for work, he would pay me \$5.00. I hemmed his pants and the first time he washed them, the hem fell out. He never let me forget that! Also had fun times with him at the Carolina games. He was so into the Gamecocks. When he lived at the beach, from time to time, I would stop by and we'd go out to eat and dancing. I will miss my friend and may God rest his soul now.

“ Thinking of you and memories of our childhood and teenage years with both laughter and tears. I never told you thank you for standing up to Ducey for me and coming to the dance contests. We sure had some laughs and that's the way I will remember you always. You made me laugh. I'm sorry we didn't get to spend time together in these the later years. We always did say we needed to get together more often over happier circumstances. That is good advice to everyone in the family. I hope you have found peace. You are loved and will be missed, til we meet again.  
Love Carole
