“ *Gainey Family: Although I just found out about Charlie, I just want you to know that Charlie meant a lot to me and I am so sorry to hear about this. I remember working with Charlie over the years at A.O. Smith and he was always a pleasure to work with. I think back and recall a time that he deep fried a turkey at the race track one year when we were entertaining our customers. He did that after talking to me one day at work just so that I could taste one for the very first time. It was little things like this that made Charlie a special person to me. He always made it a point to go he extra mile with me and he was a person that I admired. His genuine feelings and care for me and others is what we miss seeing in a lot of folks these days. It so easy to lose track of our good friends when we have to move away, but we know there will be another meeting time when our journey ends here. My prayers to the Gainey family are for strength, courage, faith, and belief in the weakest and darkest hour. Be assured when our purpose here ends, there is always another plan for us in a much better place.##imported-begin##Dale Shropshire##imported-end##*

“ To the Family of William (Boo Boo)....  
I am so sorry to hear about the passing of "Boo Boo". He and I rode the bus together to North Hartsville School..Bus 32 and 34 back in the 60's! He was such a sweet and kind guy. Please know that each of you are in my thoughts and Prayers at this time. I know it will hard for you, his children as Father's Day is approaching, but take one day at a time and cherish all the Wonderful Memories you had with "Boo Boo" deep in your heart. May God Bless each of you and give each of you the Strength, Courage and Comfort and Peace in the days and months to come.
