“ My sincere condolences and sympathy for Williams family. I know that in the times that I spent with him, he was full of life and always was kind and willing to help. He was a brother to my brother in law and I feel the loss myself as though I have lost a piece of my life. I know that God has the hairs of our head numbered and I know that he knew William better than he knew himself and that God makes a way where there is no way. May God be with the family and friends during this time of sorrow and temporary separation until the coming of our saviour Jesus Crist when we will all see each other again. I will keep your family in my prayers during this difficult and trying time.

In Christ,
