“ Nette, I am so sorry I wasn't there for you when Ray passed away. Ray was very special to me and I will miss him dearly. As I told you when I came to visit. Ray couldn't have looked the world over and found a more loving, caring wife. He loved you so much and cherished the relationship the two of you shared. I believe he is now with our heavenly father, no longer in pain and no longer suffering. I know you have a large family but please call if I can ever do anything for you or if you just need to talk. Love ya! Lisa###imported-begin##Lisa Gardner###imported-end##

“ annette, i can't begin to know your pain and grief. i am so sorry. ray was so special to so many people. there are givers and there are takers and he was definitely a giver. never was i around him that i did not leave with something in my hand from ray. what a guy! so fun and always full of mischief! you just couldn't help but love him! one of the happiest days to my family was the day dad told us that ray prayed and accepted Christ as his Saviour. we were all so thrilled to hear of his decision and it is a great comfort now during this time. we loved ray and we love you. stay strong, keep his determination with you forever!###imported-begin###pam smith murray###imported-end##

“ Annette, There is nothing that I can say at this time to comfort you. I am just so heart broken. When Carroll called me today I just burst into tears. I am so glad Danielle and I came to see Ray last Week. We are both truly sorry. My heart is just breaking for you right now. It hasn't been that long ago that I lost Mark. Just think of Mark & Ray cutting up with Jesus. I will keep you in my prayers always.##imported-begin##Donna Brown Davis##imported-end##

“ Nett, My heart goes out to you in your time of sorrow. You are now and always the only sister that i've ever had. Ray was so very special to me, he kept me laughing when he was around, but most of all he made my sister happy. That is the most important thing. I will miss him so very much. I'm here and always will be. I love all of yall. your sister Myra##imported-begin##Myra Blackwell Mills##imported-end##

“ Nette, I don't have the words to give you the comfort you need right now. I know how much you adored Ray! And likewise, he adored you! Just know you have family that is here for you and will always be here for you! I believe with all my heart he is with God right now and is smiling down at you saying, "That is the best wife I could've asked for! She is so beautiful inside and out! She was with me through thick and thin! She was my rock and I could not have made it without her! Thank you God for allowing me to share my life with her! I love her!"

Ray will be missed by so many! He was caring, giving and loving to everyone! Especially to kids! He loved kids and they loved him!!

Nette, his kindness will always be remembered!

We love you very much!

Ray was my younger brother and I still miss him everyday. My heart will always have a hole in it with his passing. I know he is in heaven with our Lord and our family. He truly had a heart of gold and there will never be another Ray! Brother and sister forever and ever!!!
