“ Warren and family. My thoughts and prayers are with you. Warren, your wife was one of the sweetest, kindest person I had the privilege to meet. She was a quite lady but you could see her kindness glow. I know your days ahead will not be easy but you have the comfort of knowing she rest in Jesus's arms. Heaven gained another Angel. Just remember she will be looking down on you and you will forever feel her love through the memories the two of you have made. Praying for you and hope to drop by to see you when I get over this flu. Sorry I could not be there with you during this time but know that my prayers and thoughts were there.

“ Warren and family, We only learned last night that a special cousin and neice had passed away. We are so sorry for your loss. As you probably know my mother and Willie Mae's birthdays were only one day apart and every year Momma looked forward to her card from Willie Mae and I am sure she enjoyed getting one from Momma. Momma always felt a special closeness to both Willie Mae and Bobby because of living near them when they were small(next door to be exact). Brenda also felt that special closeness and remembered fondly their playing together as children. Our prayers are that you will draw comfort from our precious Savior and that he will fill your minds and hearts with those memories that can bring smiles back to your faces once again. May God bless you with the peace that passes all understanding that only he can give.
