“ Donna & Kaitlin,

*Your Mama/GrandMama was so very proud of you both, you were both the pride and joy of her life. Bless you both for all the loving care you gave her when she became so ill.*

*Just the other day, I found a "yard stick holder" upstairs in one of the storage rooms that Miss Wilma had made for a church bazaar; it was blue, stitched with a little ring to hang and has little bright flowers decorations on it made from felt. A yardstick from Tedder's Hardware is inside it, and a little tag that reads, "Made by Wilma Driggers, \$4" It is such a clever and useful thing made beautiful, much like how she approached everything she did- with sensible good intentions in a loving way.*

*There are countless stories of her working in the nursery at Wesley, and many of her "babies" are now in their late 30's and beyond.*

*My prayers are with you both, and know how loved you both are at Wesley. Your guardian angel is now watching over you both, and I am sure she is well and happy now in Heaven and still so proud of her beautiful daughter and little granddaughter.*

*Much love,*

*Jana##imported-begin##Jana##imported-end##*

“ Dear Donna, there are no words to express my sympathy to you. I am so, so sorry for your loss. You loved your mom so much and she knew that. And Ms. Wilma loved you with all that she had. You worked so hard to care for her. You are such a special person to me and a best friend. If you need me for anything, please call. If I can help you with the "baby" please just call. There is NOTHING that I would not do to help you...Love, Roberta##imported-begin##Roberta O'Steen##imported-end##
