Tribute Wall

“ I remember around 2 years ago when we moved in next door. Mr. Sellers was in the yard after coming home from work and that is when I first had the pleasure of meeting him. He was a very nice person and always waved when he was pulling in his drive-way. I saw him often in the backyard walking his little dogs. My dogs were always barking as he passed by and I would run out to get them and Mr. Sellers would always say they are alright. We would have general conversation. I will miss seeing him walking his dogs behind the house and talking with him. Donna, Danielle and I are praying for you and your family. We are next door if you ever need anything.

Prayerfully,

Freddie & Danielle Engelbert
