“ We were the sister to one another that our Mothers didn't have. It always made us smile as we told people we were double cousins 😊 . I have many cherished memories to dwell upon and I'll hold on to them dearly. I asked you one week ago today not to fight to stay in this cruel world for me because I knew your body was tired. I know the moment your soul took flight, it had to be the most glorious feeling ever to be Krohns and cancer free! The bond we had and the love we shared will be reunited again, until I love 💕 you Lil Cuz. Your sister and Cuz Dawn.
