“ My thoughts are with the family of Winnie Allen Byrd King. Winnie was such a sweet and caring person. I carry fond childhood memories of us spending carefree summer afternoons swimming at the Antioch Recreation Center and attending church, Sunday school class, and the MYF at Bethlehem United Methodist Church during our teenage years. Way back then, Mrs. Elsie was our Sunday school teacher. I also remember years later when I decided to go back to Coker College in 1990. I called her to talk with her about the evening program. She was so encouraging and assuring that I could do it. I remember her telling me “Van if I can do it with 4 kids, surely you can do it with just yourself.” I carried her words with me to the very end. She will be deeply missed by so, so many. We are so sorry for the passing of Winnie. She was a beautiful person who brought a smile with her everywhere she went. Although we had not seen Winnie and Freddie in several years, we have kept in contact via facebook, texts and phone, due to an unscheduled trip to NC we were able to visit with them for a few hours. We will treasure that with her always. Gods way of giving us a little more time not knowing what was ahead. Prayers for peace and strength in the days ahead. Love you all.

I loved talking with her and how her smile was so contagious. She could definitely change your mood just by smiling at you. She was so proud of her children and she adored those grands. She always had the kindest words to say in any circumstance. Her gift to make those beautiful floral arrangements was Amazing and anyone who received one was grateful. I had the pleasure of being a recipient of several and Winnie delivered everyone of them to me. She always made sure to add a little something special that she knew that I loved. Winnie will be Missed and was A Blessing to call My Friend. Always In My Heart And Forever In My Mind.
