

Dr. Woodward Rion Dixon

October 12, 1923 - November 14, 2011

Dr. Woodward Rion Dixon, Sr. went to be with his Lord and Saviour on Monday, November 14th. Born in Winnsboro, SC on October 12, 1923, he was the son of the late Addie Rion Dixon and Osmund Woodward Dixon. The Dixon family moved to Greenville, SC and Dr. Dixon's education at Furman University was interrupted by World War II. He joined the US Coast Guard and was stationed at Gallups Island, Maryland as a radio operator. He served 4 years in various theaters in more than 50 countries. He considered his years of military service a definitive portion of his life and he had great pride in and affection for his fellow servicemen. After completing his military service he continued his education at MIT, VPI, and completed his degree at Furman University.

He began a career with International Shoe Company in sales, building shoe stores and training salesmen in the southeastern region. In 1961 he was transferred to the west coast as VP of the western region located in San Francisco.

Dr. Dixon always lived life large and each day to the fullest. He retired from International Shoe Company when he felt a call to become a missionary. He had a passion for people and prepared for missions at Columbia Theological Seminary where he received a Masters of Divinity. He also attended Agnes Scott and Emory University. He was commissioned as a Presbyterian Missionary at Montreat, NC and sent to Central America, Mexico, Haiti, and Zambia. In Mexico he completed his medical studies at the University

Michoacan and completed his medical boards at the Medical University of South Carolina.

In 1975, Dr. Dixon returned to Darlington County to practice medicine. He served as Chief of Staff, Chief of Surgery, and President of the County Medical Society. He loved his profession and respected highly his colleagues. His patients remember him for his kindness. He retired from his medical practice in Hartsville, SC in 2002.

Dr. Dixon is survived by Ann Stevenson Dixon, his wife of 59 years; his five special children, Locke Dixon Barkley; Woodward Rion Dixon, Jr., M.D. and his wife, Mary Evans Dixon; Heath Phillips Dixon and his wife, Caroline Altmann Dixon; Osmund Bailey Dixon and his wife, Kim Hicks Dixon; and Julia Dixon Boatwright and her husband, Stephen Boatwright, M.D. Also surviving him are grandchildren, Karen Montgomery, Tate Taylor, Helen Stearnes, Rion Dixon III, Preston Dixon, Phillip Dixon Jr., Julia Dixon, Lauren Dixon, James Bailey Dixon, Stephen Boatwright, Jr. and Austin Boatwright and four great-grandchildren. Dr. Dixon is survived by a brother, Osmund Woodward Dixon. He was predeceased by a brother, Bailey Dixon and a sister, Julia Dixon Crews.

The family would like to thank his physician and close friend Dr. Jimmy Bell who was faithful and dedicated in his care. The family also expresses their heartfelt gratitude to his nurses, co-workers, Agape Hospice, and others who faithfully provided care to Dr. and Mrs. Dixon at their home.

A family graveside service will be held at 11:00 AM Thursday, November 17th at Lebanon Presbyterian Church cemetery in Fairfield County followed by a Celebration of Life service at 5:00 PM at Hartsville First Presbyterian Church. Honoring Dr. Dixon as pallbearers will be his sons and grandsons.

Visitation will be held at Brown - Pennington - Atkins Funeral Home on Wednesday, November 16th from 5:00 to 7:00 PM.

Memorials may be made to Hartsville First Presbyterian Church, Lebanon Presbyterian Church Cemetery Association, or a charity of choice.

“ My belated condolences to the family. Our families first met in Decatur GA where our parents attended Columbia and later, our families served on the mission field in Mexico between 1965 and 1972. We were stationed in Teloloapan and as I recall, the Dixons were in Morelia. I always liked Uncle Ryan and my brother George and I were known to run somewhat amok with Bailey at the Mission Meetings. Sorry for your loss, but what a full and rich life.

“ Uncle Rion was very instrumental in my growing in the Lord and choosing the great adventure of mission work. I will always remember his leaving a successful business and taking his family of 7 off with him as he followed the Lord's calling through seminary and medical school, and into medical mission work in Mexico and Haiti. I am grateful for his witness.

Dr. Dixon was my doctor for a chunk of time and, in addition to quality care, we enjoyed sharing our mutual love of world travel. While preparing for a trip to the orient and receiving the compulsory medications from him, I remember his caution that he didn't want to read about me in then Communist China - no international news at all! When I contacted the Dixons about their offering their lovely home for a Hartscapades' Home Tour site, I learned more personally about them and their family.

Know, Ann, that I am praying for you, your daughter and sons and their children. Continue to celebrate Rion's long life of love and service.

Dr. Dixon gave his service to heal and save the lives of many. He will always be my hero as my family doctor. Dr. Dixon always shared a warm smile and never turned you away if you did not have an appointment .. he would work you in somehow. I'll never forget about a month after my mothers passing, I was getting off work 3rd shift when I went to buy some apple juice for my mother ... walking in Piggly Wiggly I stopped and realize my mother had died ... I ran out of the store crying my eyes out .. I called Dr. Dixon office not sure if anyone would be there because how early it was.. no answer .. but I drove to his office crying so hard I could hardly see the road ahead .. as I pulled into the parking lot .. Dr. Dixon was getting out of his car.. He came over to me and helped me into his office. He told me as being my mothers care giver for many years ... it had finely hit me of my mothers passing because I had been in denial. Dr. Dixon words of comfort has not gone unappreciated .. they remain in my heart today. A Salute To Dr. Dixon as an Officer in World War II ... he served to safeguard all the people of The United States, Our Town Hero ... Grace, Mercy, and Peace to his family left behind to grieve... God's Blessings to each of you.

Dr. Dixon rest now, your work here on earth is done .. but you've been given another assignment... Our Guardian Angel.

Blessings, Arline Alton, Evelyn Alton Hough, Donald Alton Jr.

Ann, Locke, Woody, Phil, Bailey and Julia

Your Aunt Clara has asked that I send her love and blessings to your family. She is too feeble to be there tomorrow physically but spiritually she has you all in her thoughts and prayers.

The memories and good times shared with Rion, Ann and all of you are too numerous to count beginning with formulating Rion's Family Shoe Store in Georgetown, sharing many memories when you lived in Columbia, trips to Hilton Head where we learned to shrimp, fish and cast our nets, on to Haiti, Mexico, Canada and spending quality time including the ups and downs of raising both of our families of 5 children each....but what an amazing and awesome 50 years.

We miss Pappa Sam and hope that Rion connects with him in Heaven and they rejoice in seeing each other after 20+ years. We know you will all miss Rion and his presence in your daily lives for a long time...what an incredible life he lived filled with so many accomplishments, all with love and caring for others.

Heartfelt Love and Grace to you all,

“ Rion was such an inspiration to our family (Sam W. Rion, Sr. family) of Georgetown, SC. A strong christian influence and supporter of my parents and responsible for them launching a successful business, Rion's Shoes.

I have many great memories of going to Columbia to see the Rion Dixon family and how hospitable they were to us on visits. I especially remember his ability to sell my parents on the decision to put in a swimming pool at our house and the many hours of joy that pool brought to our family and friends. Also the generosity of offering up his families beach house at Hilton Head for many of our vacations back when HH was accessible only by a small cable ferry.

A great South Carolinian who is now at peace with his Lord Jesus Christ in heaven with my father (his Uncle Sam) his mother and many other relatives and people who he not only touched but is responsible for them being in heaven with him. There is no doubt in my mind he's wearing a purple robe and crown of glory placed on him by Jesus himself !
