“ *I knew Woody as my grandsons grandfather. I can truly say they were so fortunate and so blessed to have him for their grandfather. He was always so kind to Lane and Woods and they really had respect for him*

We could always find him at Lanes football games with West Florence High School. He was a man of integrity a man who encouraged his grandsons. They are surely going to miss Papa tremendously. So I remember him as a husband, Father and Grandfather. And they don't come any better. May God hold the family in His arms.

I'll never forget that our cat was drooling and I took her in. I called him a few hours later, and he told me that Fluffy was not brushing her teeth!
